Alyssa Gaylord, Terry Gaylord, Alex Marra, Joyce Melfi, Neil Shoemaker, Tony Vinscavage, Alex Marra, Brandon Jones, Linda Witte, and Matt Witte were instrumental in painting the ticket booth, storage shed, stadium poles and entranceway overhang of the stadium.

Everyone's efforts, combined with the new chain link fence which was just installed, has made a very positive change for Bradner Stadium. Thanks to all volunteers for everything you do to help clean up – and upgrade - our community. We could not have accomplished this work without your help.

Signed,

Mayor Linda Witte and Members of CONPC
