## Operating Permit Application for Tents, Canopies and Other Membrane Structures

All tents, canopies and membrane structures either temporary or permanent shall comply with Sections 2401, 2402, 2403 and 2404 of the NYS Fire Code. These include:

**Air-Supported Structure** – wherein the shape of the structure is attained by air pressure and occupants of the structure are within the elevated pressure area.

**Canopy** – a structure, enclosure or shelter constructed of fabric or pliable materials supported by any manner, except by air or the contents it protects, and is open without sidewalls or drops on 75 percent or more of the perimeter.

**Membrane Structure** – an air-inflated, air-supported, cable or frame-covered structure as defined by the Building Code and not otherwise defined as a tent or canopy.

**Tent** – a structure, enclosure or shelter constructed of fabric or pliable material supported by any manner except by air or the contents that it protects.

All temporary tents, canopies and membrane structures having an area in excess of 200 square feet and canopies in excess of 400 square feet shall not be erected, operated, or maintained for any purpose without first obtaining a permit and obtaining approval from Code Enforcement of the City of Olean. For all others, underground must be obtained as per contract. Copy of the Fire Code can be obtained at the Code Enforcement Office in the Olean Municipal Building.
