

Cold Weather WARMING SITE

Provided by Cattaraugus County Office of Emergency Services and City of Olean Fire Department

10 Degrees or Colder

Advertisement to the public that if they are in need of assistance due to the cold weather they should call the Olean Dispatch Center at (716) 376-5677.

Olean Dispatch Center will screen the call to determine if the person needs emergency medical (ambulance) or cold weather assistance, the appropriate request will be made.

If the person is in need of cold weather assistance, Olean Dispatch Center will contact the Salvation Army.

If it is determined there is need to open a warming site, the Salvation Army will contact Olean Dispatch Center and ask to activate the warming site.

If there is need to open a warming site, Olean Dispatch Center will contact Chief Robert Bell of the City of Olean Fire Dept. and Chris Baker, Director of Cattaraugus County Office of Emergency Services. They will then activate the Olean warming site.

Olean Warming Site: John J. Ash Community Center
112 North Barry Street, Olean, NY 14760
