SECTION 1. GENERAL

1.1 Objectives. The Downtown Property Improvement Program (DPIP) has been designed to provide financial incentives for commercial business and property owners to rehabilitate their buildings, reduce downtown commercial vacancy rates, create employment opportunities for residents, and preserve and expand the tax base of the City of Olean.

1.2 Forms of Assistance. The Program will provide assistance to commercial property owners (with owner permission) and business owners in the form of low-interest loans/grants for commercial/business improvement projects. The Olean Revolving Loan Fund Committee (ORLFC) will review all applications and make recommendation to the Olean Common Council for final approval.

1.3 Target Areas. While all commercial properties in the City are eligible to receive financing assistance under the Program, priority will be given to assisting retail oriented businesses located in the City’s Downtown Business District.

SECTION 2. ELIGIBILITY REQUIREMENTS

All commercial properties will be considered and applications evaluated on a case-by-case basis to determine the overall effect the renovations will have.

2.1 Eligible Activities. Eligible activities include the following interior commercial space and façade improvements:

(a) Improvements to electrical systems;
(b) Improvements to heating or air conditioning systems;
(c) Improvements to plumbing systems;
(d) Improvements to ceilings, floors, and walls;
(e) Foundation work;
(f) Other structural work;
(g) Exterior roofing, when critically needed to eliminate the cause of interior building damage;
(h) Façade improvements, i.e., lighting, signage, installation of awnings, construction and installation of landscaping, planting, and street furniture;
(i) Any other improvements deemed appropriate for commercial space improvement by the ORLFC.

*** Inventory and/or working capital is not eligible.

2.2 Eligible Applicants. Eligible applicants include owners of commercial buildings and business owners (with owner permission to renovate/rehabilitate the property) within the target area described in Section 1.3.

2.3 Eligible Use of Funds. Program funds may be used for construction activities, the purchase of materials and other activities related to the renovation of commercial space.
SECTION 3. PROGRAM STANDARDS

3.1 Minimum Amount of Assistance. Program assistance will not be considered where the City’s financial assistance toward the total cost of the requested finance assistance is less than $5,000.

3.2 Maximum Amount of Assistance. The City’s participation in loans/grants to be provided under this Program may not exceed $30,000 for each project assisted. Up to 20% of the financing approved may be provided in the form of a deferred loan.

SECTION 4. LENDING POLICIES

4.1 Term of Loans. The loan term under the Program will be up to seven years, with payments to be made on a monthly basis until the loan is satisfied.

4.2 Interest Rate. The current interest rate charged for approved loans is prime rate fixed at time of loan origination.

4.3 Repayment Terms. The outstanding principal balance of the Program loan will become due and payable immediately upon any default as defined in the loan documents.

4.4 Security. Appropriate collateral and guarantees will be determined on a case-by-case basis by the ORLFC. At a minimum, personal guarantees will be required.

SECTION 5. APPLICATION PROCESSING

5.1 Loan Applications. Applications for the Program must include all of the information required in the Program Application Form. The ORLFC may request additional information.

5.2 Application Fee. No fee shall be required to submit an application under the Program.

5.3 Application Processing. The processing of loan applications will be the responsibility of the ORLFC and will generally consist of the following steps:

(a) Review applications for completeness and procurement of appropriate additional information;

(b) Review of Program eligibility criteria and factors pursuant to Federal and State regulations and any financing secured through public and/or private financing sources;

(c) Determine economic feasibility, perform credit analysis, and assess risk;
(d) Verify range of work necessary;
(e) Determine amount of financing, including appropriate security;
(f) Prepare written report to the City of Olean Common Council summarizing the review process and providing recommendations as appropriate.

5.4 Loan Review Committee. The ORLFC will review loan applications and either recommend approval or denial to the City of Olean Common Council. No loan application may be presented to the City of Olean Common Council without analysis and recommendation(s) by the ORLFC.

5.5 Loan Approval. The ORLFC shall recommend to the Olean Common Council the project and the Olean Common Council shall have sole authority to approve or deny expenditures of loan funds. Such authority shall include the commitment to lend Program funds, the repayment terms, the amount of owner contribution, and the required/appropriate security for the loan. The application of other appropriate conditions of lending and covenants of the borrower shall be the responsibility of the City Attorney with input from the ORLFC.

5.6 Loan Denial.

(a) Loan applications may be denied by the ORLFC based on a lack of application completeness or a failure to meet the eligibility criteria pursuant to Sections 5.3(a) and 5.3(b) of this Plan respectively. In such instances, the applicant will be notified in writing of the reason(s) for denial.

(b) Loan applications may be denied by the ORLFC if it determines that Program financing is clearly inappropriate based on the reviews conducted in accordance with Sections 5.3(c) and 5.3(e) of this Plan. In such instances, the applicant will be notified in writing of the reason(s) for disapproval. Loan applications may also be denied by the ORLFC for any reason or reasons which represent a reasonable determination that the approval of the application would not meet the objectives of the Program and/or would not represent an appropriate or prudent use of Program funds. In such instances, the applicant will be notified in writing of the reason(s) for denial.

SECTION 6. POST-APPROVAL PROCESS

SECTION 7. LOAN MANAGEMENT

7.1 Delinquencies. The ORLFC will contact the borrower upon default of the Loan Agreement Terms to inform the borrower of the delinquency. Delinquencies which continue for 30 days will be referred to the City Attorney for further action.
