4. New Referrals for Consideration

- a. Parking on Prospect Avenue

Alderman Witte stated that she had people comment at last week's meeting regarding the issues on Prospect Avenue. She stated that she has received a measurement from Mr. Ellis, one of the City's Engineers, and he recommends no parking from the corner of Prospect and Front Street to a point 880 feet from the intersection. This should take care of the issue. Also, although the residents have recommended no parking on both sides of the street, we are only doing no parking on the south side at this point to see how it works out. She stated that a PL is going to be referred at the next meeting for a vote on June 13th. This will allow for time for the publication necessary with a code change.

6. Adjournment
