Arts and Science through Theatre: Join us on our adventure

Children will be introduced to theatre through creative play. Exercises and games will focus on acting through storytelling, creating a character, expressing a feeling, music, and movement. A craft and story will often be included.

- Fun outdoor math and science projects.
- Games including acting, team building, and just plain fun.
- Performing Arts activities including singing, dancing, karaoke, acting, music and puppets.
- Literary and Visual Art including water coloring, using natural items found in Oak Hill Park creative writing and poems.

Plus much more! Come and join us for a fun filled summer! In case of rain, activities will be at the Washington Street Theater.
